**Lost & Found**

If your child has misplaced any items/clothes please check our lost and found area located under the fish tank.

**Pinwheels for Prevention**

**Child Abuse Awareness Month**

All children deserve great childhoods because our children are the future.

*Preventchildabuse.org*

Over the next few weeks each class will make mini gardens on our porches to care for and watch them grow. At the end of the month each child will decorate a pinwheel in observance of Child Abuse Awareness Month.

**Child Outreach Screening**

**April 27th Screening**

Smithfield Child Outreach will be coming to Breezy Knoll to screen **3-5 year olds**, regardless of the town they are from.

\*\*\*If you would like your child to be screened, please see Julia or April. You need to fill out the necessary paperwork before your child is screened.

**April Fundraiser**

Once again, we will be using Mixed Bag Design for our fundraiser. Our goal is to sell at least \$1000.00 or more to ensure 50% profit and free shipping. The sale dates: April 25th-May 13th. Thank you in advance for participating!

**All proceeds from these sales will be used to help fund equipment for our play yards and in-house field trips during the summer months.**

**BUTTERFLIES**

Toward the end of the month of April, each of the groups will begin to hatch butterflies in their classrooms.

The plan is for each class to watch the different stages of development, from larva to butterfly.

When all of the butterflies are hatched and become strong enough, the entire school will meet outside and release the butterflies into the natural setting. It will be a colorful sight to watch as they flutter away to find a home.
