THANK YOU

THANK YOU We extend our warmest thanks to all of you who so generously remembered our staff during the holiday season. Our staff feels very fortunate to be surrounded by such generous and thoughtful people. Thanks to everyone!

SIGN-IN PROCEDURE

Our new sign-in system is up and running! Everyone seems to be pleased with the ease of signing in and out. Our great thanks to Qi, Dad of our Toddler Luyao, who designed and installed the entire system! We are very grateful to him. If you need help at any time with the touchscreen, just ask April, Jeannette, or Michele. We have a record of all passcodes and the letter assigned to each group. Thank you for helping us become more "green."

BLOOD DRIVE

Next Blood Drive - 1/11/11 from 2:00pm - 5:00pm
Before picking your child up on that day, why not make a blood donation? In general, you need to be:

- in good health
- 16 years of age, with no upper age limitations.
- 16-year-old donors must weigh 130 pounds, and present a signed parental permission slip, which can be found under the 16-year-old area of the "Can I Donate" section of the RI Blood Center website.
- 17-year-olds must weigh 110 pounds and are not required to present a signed parental permission slip, unless their particular school requires it.

Most medications do not keep you from donating, nor does:

- A tattoo if it was applied in a licensed establishment by a licensed practitioner and is healed and pain free.
- A heart attack. Most individuals can donate again once fully recovered.
- A breast feeding mother six weeks after an uncomplicated birth.

PROPER ATTIRE FOR SNOW DAYS

With the winter season upon us, there will be many snowy days during the school week! We advise you that the children WILL go outside to play every day that the temperature reaches 32 degrees and above, even if there is snow on the ground. This practice is both healthy and fun for them. Proper attire is requested and expected! The outerwear needed includes: coat, snow pants, hat, mittens, and boots. No scarves, please, as they create a hazard for possible injury. Any clothing may be left at Breezy Knoll if it is more convenient for you. We ask that you dress your child with the expectation of outdoor play daily, even in cold weather. Thank you!

HEALTH TIP OF THE MONTH

From Helping Hands Newsletter; Jennifer McKinnon, RN
It's the season for cold, flu, and stomach illnesses. The Centers for Disease Control states that hand washing is one of the best ways to prevent the spread of illness. Despite our knowledge of its importance, many of us are still not practicing hand washing as we should be.

Children in child care are at an increased risk of getting ill. It is important that both adults and children practice good hand washing. Make it fun for your child by using scented soap and singing songs, such as, "This is the Way We Wash Our Hands."

BREEZY KNOLL AUTHOR

We have great news about a former Breezy Knoll staff person! Kim Pizzarelli has written a children's book entitled Jessica Pickle, illustrated by Bill Gallagher. It is now available at www.publishamerica.net/product119462.html.

The book is also available in all local bookstores, including Barnes & Noble, and Borders Books. Kim and Bill plan to visit Breezy Knoll for a book reading and signing on January 25, 2011. We are so proud of Kim and wish her much success with her book. What an accomplishment!

TODDLER NEWS

It's hard to believe that a new year is beginning! We would like to wish all of our families a very healthy and happy new year!

The month of January will focus on the season of winter and snow. The children will pretend to be bears hibernating from the cold. We will talk about the changes that the cold weather brings, and hopefully, have lots of fun in the snow. We look forward to a fun-filled January!

A few reminders: Please remember that we go outside daily when the temperature is at least 32 degrees. Your child needs a hat, mittens, snow pants, and boots, all labeled with name. Also, please supply an extra set of clothes to keep at the center in case of wet or soiled clothing. Please wash quiet time items and snow clothes weekly. Kindly check our lost and found area for misplaced items.

SPARE CLOTHING

PLEASE BE SURE THAT YOUR CHILD HAS A COMPLETE SET OF EXTRA CLOTHES TO BE KEPT AT BREEZY KNOLL IN CASE OF ACCIDENTS. THANK YOU!

Optional Lunch Milk/Juice Money

If you would like Breezy Knoll to serve milk/juice to your child at lunch time, please enclose 25 cents for each day of the month your child will receive milk/juice. Please place money in an envelope and drop in tuition mailbox.

Dressing For Winter

This is how we dress on a cold winter's day.
We put on our snowsuits to go out to play.
Then we put on our boots to walk in the snow.
Next, our hats and our mittens
'Cause the wind begins to blow.
And now we're all ready to go out to play.
We'll stay nice and warm on this cold winter's

Time to Migrate

(tune: London Bridge)

Geese are honking, "Let's fly south."
Let's fly south. Honk, honk, honk!"
Geese are honking, "Let's fly south."
Time to migrate.
Ducks are quacking, "Let's fly south."
Let's fly south. Quack, quack, quack!"
Ducks are quacking, "Let's fly south."
Time to migrate!

Right and Left

This is my right hand.
I'll raise it up high.
This is my left hand.
I'll touch the sky.
Right hand, left hand,
Roll them around.
Left hand, right hand,
Pound, pound, pound!

A-Sledding We Will Go

(tune: Farmer in the Dell)
Oh, a-sledding we will go
A-sledding we will go.
We'll run and slide.
Down the hill we'll glide.

Chubby Little Snowman

A chubby little snowman
Had a carrot nose.
Along came a bunny and
What do you suppose?
That hungry little bunny
Looking for some lunch
Ate that little snowman's nose
Nibble, nibble, CRUNCH!

Freedom

Freedom, freedom, let it ring
"Let it ring," said Dr. King.
Let us live in harmony.
Peace and love for you and me.
Freedom, freedom, let it ring.

A Blanket of Snow

The snow fell softly all the night.
It made a blanket soft and white.
It covered houses, flowers, and ground.
But did not make a single sound.

Wiggles

I wiggle my fingers.
I wiggle my toes.
I wiggle my shoulders.
I wiggle my nose.
Now no more wiggles
are left in me.
So I'm as still as I can be.

Penguin Play

(tune: A-Tisket, A-Tasket)
Waddle! Waddle!
Penguins like to waddle.
They have wings, but they don't fly.
Penguins only waddle.
Swimming, swimming!
Penguins all love swimming.
They catch food and swim all day.
Penguins all love swimming.
Sliding, sliding!
Penguins all love sliding.
They slide on ice and snow all day.
Penguins all go sliding!

Snowflakes Falling Down

(tune: London Bridge)
Small snowflakes are falling down,
Falling down, falling down.
Small snowflakes are falling down.
Let's build a snowman.
Roll some flakes up in three balls,
In three balls, in three balls.
Roll some flakes up in three balls.
Let's build a snowman.
Take the balls and stack them up,
Stack them up, stack them up.
Take the balls and stack them up.
We're building a snowman!

KIDS QUOTES

An oldie but a goodie:

The Kindergarten class was discussing the topic of birds flying south for the winter. The question asked was "Why do you think the birds fly in a V formation?" One child replied, "Because V is for vacation!"

THIN ICE ISN'T ALWAYS OBVIOUS

When it comes to frozen bodies of water, you can never be too careful!

To keep your children safe, teach them:

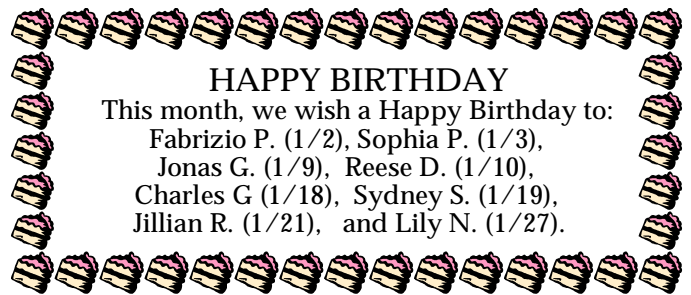

- * Never use ice for a shortcut.
- * Never skate alone or without asking your permission first.
- * Never skate on ice that has not been tested by the Fire or Recreation Department.
- * Never go out on the ice to help another child or animal. Get help!

The only safe ice is at an ice skating rink.
